

## Grading Research Paper

0 = Plagiarism. I have the Turnitin report if you would like to see it.

50/100 Highest grade possible if the paper did not meet the minimum requirement of length

C = Content- how well did you prove the elements in your thesis

G = Grammar- spelling, punctuation, sentence structure etc.

F = Format- Follows all the rules for how the paper was to be set up

I = In-text Documentation- proper format, use (did it help prove your thesis) total of 3 needed

WC = Works Cited- Correct format, total of 3 needed
